REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 1 and 32 have been rewritten to include all the limitations of claims 8 & 10 and 39 & 41, respectively, and are therefore allowed. Previous claims 10 and 41 had been previously objected to for including allowable subject matter contained in claims dependent from rejected base claims (see Final Rejection dated 14 June 2005).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
